Preparing for Prom '87

Well, we had to do something with it!
You should have covered up her face

What a Mess!

What a grand view!

The Junior class enjoyed preparing the gym for prom 1987. The theme for the decorating was A Tropical Paradise. The juniors and seniors were introduced along with their escorts to begin the evening. The juniors looked on as the seniors danced to the lead out song "Almost Paradise." This year's prom revived an old tradition of having the dance in the gym.

Grin and Bear it.

What fun this is?

SPRING SPORTS BANQUET

The Spring Sports Banquet is held to honor the athletes participating in all sports with the exception of football. Varsity letters are presented as well as special awards in different areas.

HONORS DAY ASSEMBLY

"Climb Every Mountain" was the theme of this year's Honors Day held on May 29. Two assemblies, one for middle school and one for high school, were held. Mrs. Kimsey, Mrs. Robinson, Mrs. Russell, Mrs. Cunningham, and Mrs. Van Pelt were all instrumental in organizing the affair. Christie Moak, a Herff Jones sales representative, spoke to the students about goals and success.

A small student chorus sang three selections from the musical, THE SOUND OF MUSIC, from which our theme was taken. Awards were given to students in each subject and grade based on academic achievement and most improved. Other county-level awards were distributed such as Math Team awards, Student of the Year and others. The Honors Day assemblies seek to recognize those students who strive to succeed. This year was a successful one.

The annual Miss Ernest Ward High School pageant was held on March 14, 1987. The contestants were judged in the areas of poise, appearance, personal interview, talent, and physical fitness. The results were exciting as Deana Tyson was crowned Miss E.W.H.S. of 1987. Deana performed a humorous monologue entitled "First Date". Tammy Amerson was selected first runner-up. Tammy twirled to "Footloose". Laura Morris was chosen second runner-up. Laura sang "Mama He's Crazy." Dana Powell, was elected Miss Congeniality by the contestants.

The Mr. EWHS contestants were elected by the students in grades 9-12. Rusty Pennington was elected Mr. EWHS with Chris Singleton as first runner-up, and David Jordan as second runner-up.

Standing In The Reign

In spite of the fuss of tangled umbrellas, sticky hair, and runny makeup, October 24, 1986, was an exciting night. Our Homecoming Court came shining through the rainy weather with winning smiles.

Pre-game activities presented Miss Suzanne Delmar as our 1986 Homecoming Queen. No one was prouder of Suzanne than her stepfather and escort Mr. Neal Russell. The moment everyone had waited for arrived with the crowning of this year's queen by Mr. Pettis.

Although we lost the game, the dance went well. Homecoming Week provided us with lots of fun with all the weird and unusual getups students wore on the different dress-up days.

Looking back on this unforgettable night, we see muddy football players, homecoming contestants sloshing through the rain, marching band members hovering under umbrellas, and very wet cheerleaders. However, we also see our 1986 Homecoming Court standing in the reign.

The REFLECTOR Staff chose the theme "Into the Future" while attending the annual summer seminar in Gulf Shores, Alabama. Four of our members attended the seminar which was sponsored by Jim Owens Photographics and Herff Jones. The workshop offered instruction in photography and layout and design. The staff members worked with an artist to design the cover and to develop the theme. Several of our members will be attending the seminar again this summer.

FUTURE FARMERS OF AMERICA

The 1986-87 school year was a very busy year for the Ernest Ward FFA. The chapter began the year with thirteen members participating in the Pensacola Interstate Fair Livestock Show and Sale. Brian Davis showed the grand Champion diary calf, as well as winning first place in the dairy showmanship class. Jamie Hall and Greg Peterson placed second and third respectively in the Dairy Showmanship Contest. The Chapter also competed in sub-district and district FFA contests. On the sub-district level Jamie Hall placed third in prepared public speaking, and Greg Peterson placed first in the tractor operations contest. On the district level, the chapter placed seventeenth in the state in the agricultural management contest.

FUTURE HOMEMAKERS OF AMERICA

FHA has had a very busy year with community service and fund raising projects. Some of these were selling cookies and Christmas wrap, and making Valentine candy and grams that were delivered to various schools in the area. The fund raising is to help sponsor FHA members in the state convention.

The FHA's community service project was to sponsor a needy family. They held a food drive involving the entire school, and it was successful enough to sponsor two families.

The FHA also held a spring fashion show for the second year. Candlelight Moments provided prom dresses and tuxedos to be modeled by the students. The student body really enjoyed this.

IN MEMORY OF JOE LATHAM

Occasionally, an individual appears on the horizon who fits no ordinary mold or any sage's philosophical quotation: such a man was Joe Latham. The magnitude of his spirit was too great to be measured by or compared to any one person because he was a composite of many. Painting a word picture of Joe Latham is a formidable task; however, I am happy to share the Joe that I knew and worked with for nearly thirty years.

Joe—

served his country with the same patriotic zeal which motivated such men as Washington, Henry, Paine and John Glenn.

shared a sense of humor and wit which held reflections of Lincoln and Twain.

developed a political philosophy which was reminescent of Will Rogers.

exhibited the leadership qualities of Moses as he marched his athletes through wins and loses.

bore the courage of David as he met Goliaths on the football field and in the stands.

portrayed the faith of Abraham and passed it on to his children and athletes.

respected and honored women like the Apostle Luke, not from a sense of demand but from a sense of nobility.

was loyal to his friends as Jonathan was to David and betrayed not one.

Joe revered God, loved his wife, children and family, honored his country, and gave his all to his profession. Now that was a man!

Joan Kebbe

Latham Memorial Stadium was deidcated this year to honor the late Joe Latham, former coach and teacher at Ernest Ward for 27 years. Coach Latham was instrumental in helping construct the original field.

He had been named Coach of the Year four times by the Florida Association of Coaches, and following his retirement was involved totally in the community fund-raising efforts for the Quarterback Club, Volunteer Fire Department, and other civic organizations.

The 86 GOLDEN EAGLES were an extremely young team, including six freshmen starting, five juniors, and six seniors. The team faced a very rigorous schedule with the opposition including one 5A team, one 3A team, and one 2A team. Most of the teams held a winning record, and six participated in district playoffs.

The Eagles are looking forward to a better season next year, All games are scheduled against teams in our own classification. With the large number of players returning from the 1986 squad, the Golden Eagles are optimistic about the 1987 football season.

The Golden Eagle Cheerleaders began this year by attending the Universal Cheerleader Association Camp at Montevallo. This was an outstanding beginning for them because they returned with blue ribbons in all areas. They also went to Tampa to participate in the Florida State Fair. In this competition they were recognized as 1A and 2A Champions, the best cheerleading squad in Florida in these divisions. The cheerleaders sponsored two dances during the year to raise funds to cover their expenses in attending these events.

VOLLEYBALL

This year's Seniors would like to wish our fellow teammates "Good Luck" in the future. We thank them for making our last year great. We want to let Mrs. Poulsen know how much we appreciate her for sticking by us when no one else would. It did not matter how aggravated she got, she never gave up on us. Thank you, Mrs. Poulsen.

WEIGHTLIFTING TEAM

Coach Blair Armstrong

Front Row: Tilman North, Robbie Hall, Jerry Henderson, Jason Auclair, and Michael Jones. Back Row: Ron Hoffman, Joey Woods, Shannon Priest, Anthony Williams, Billy Franklin, Leighton Spicer, and David Jordan.

The Ernest Ward Weightlifting team competed in the fourth annual Escambia County Championships this year and came in sixth place, only 2 points behind Tate. With the entire team returning, we should be a competitive team next year. The Eagle Ironmen defeated Escambia County High in Atmore to win a revolving trophy and also won $500.00 worth of weight equipment for the school at the Big Bench contest sponsored by B and D Weightroom, Coca-Cola, and other area businesses at the Mafest in Atmore.

COACHES CORNER

I would like to extend my thanks to all those who participated and assisted in the 1986-87 Boys Basketball season. Our program is on the rise, and we have greater participation than in previous years. The future looks bright as long as our athletes maintain their efforts.

I would like to thank the administration, faculty, staff, parents, and athletes for their support. I am looking forward to the upcoming season. I urge you to continue your efforts, for good things come through consistency and hard work. Thank you all.

LADY EAGLE SOFTBALL

Coach Chris Golightly

"Girls just want to have fun."

The 1987 Lady Eagles laid a firm foundation for future success. The players, led by MVP Luci Driver and Golden Glove winner Dodie Roberts, worked hard but ran up against tough district competition. The highlight of the season was a thrilling victory over Pensacola Catholic. With a new softball and complex slated for completion by 1988 and continued dedication by the players, we should be a force to be reckoned with in the near future.

ADMINISTRATION
REFLECTOR

One of the last things that I wish each student as he leaves Ernest Ward at the conclusion of his senior year is that his life will be filled with happiness. That is a wish that I have for EVERY-ONE at our school. However, I recognize that perhaps that wish is rather vague; following is a brief view of how I perceive this elusive thing called happiness.

You can't pursue it and catch it. It comes upon you unaware while you are helping others. Happiness is like cologne—you can't spray it on others without getting some on yourself. It does not depend upon a full pocket book, but upon a mind full of rich thoughts and a heart full of rich emotions. It does not depend upon what happens outside of you but on what happens inside of you, by the spirit in which you meet life.

I wish you happiness!

H. Letts

Oh, my children, life is to be savored, sipped and tasted, not gobbled. It is very like food which is more nourishing and satisfying if taken in the proper proportions and time sequence.

You are in the bud of life. Please don't pluck the bud from the nurturing bush before it has time to blossom into full growth.

Wade gently into life so that you may enjoy the good things and have the strength and courage to face the hardships and disappointments.

Love to you!
